

PINCH PLEAT (POLE)

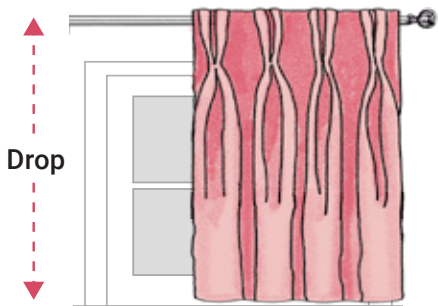

Measuring Width

Measure the total width of the pole, excluding finials
PLUS an additional 2.5cm for the central overlap.

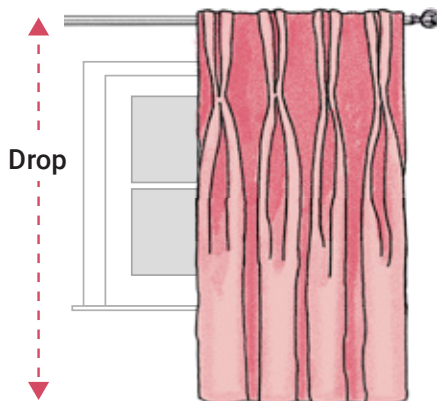

Measuring Drop

Take the measurement from the eye of the curtain hooks to your desired drop length

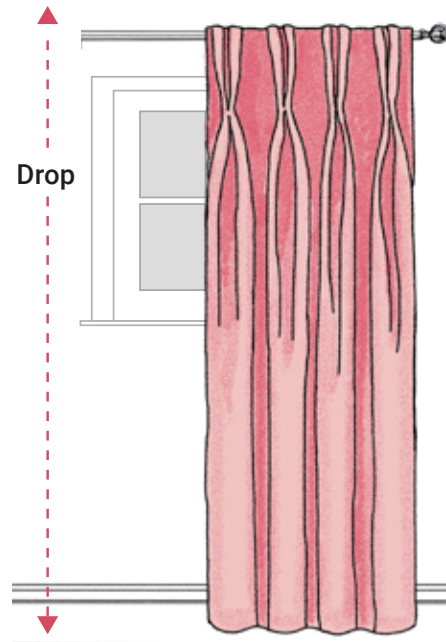

Sill Length

From curtain hook eye to
1cm above the sill

Below Sill Length

From curtain hook eye to
15cm below the sill

Full Length

From curtain hook eye to
3cm above the floor
